

In 2017

I became homeless. I

lived with friends, then found total solitude  
from living in my car. Had heart issues and was  
given a counselor at Highland Hospital. I was then  
placed in a shelter (for homeless in 2020). In Feb. 2021  
I was placed into an apartment. I went back to school  
to complete my Paralegal studies; which are completed.  
I have 3 classes to obtain my AA degree to move on  
to an 4 yr college. I am currently studying  
to be a notary public.

GOD  
IS  
GOOD!
